## MBA STRATEGIC CONSULTING PROGRAM

The MBA Strategic Consulting Program works with a wide range of clients and industries. From large tech firms like Microsoft and Amazon to non-profits like the YMCA and Seattle Opera, our students assist industry leaders in addressing their most pressing issues.

**Applied Strategy**– A one-quarter requirement for all full-time MBA students, and a summer elective for evening MBA students. **23** completed projects in 2015.

**Field Study**– Teams of full-time and evening MBA students complete consulting projects over two quarters. **18** Completed projects in 2015.
