WE ARE A COMMUNITY.

At Michigan Ross, you gain more than just a top-ranked business education – you become part of a community. A community overflowing with talent. A community of action-oriented leaders. Of collaborative, brilliant thinkers. A community that not only welcomes diversity, but thrives on it.
The eight-month MAcc prepares you to sit for the CPA exam in most states and is fully integrated with the top-ranked Ross MBA Program to prepare you to lead in any area of business. Customize your degree by choosing from a broad set of MBA and U-M electives and courses such as big data, data analytics, business communications, strategy, management and organizations, law, and foreign language.

CORE CURRICULUM:
+ ACC 555: Corporate Financial Research and Reporting
+ ACC 561: Federal Taxation
+ ACC 565: Financial Instruments and Structured Finance
+ ACC 601: Information System Design
+ ACC 625: Advanced Financial Accounting
+ ACC 630: Auditing and Assurance
+ ACC 695: EY Accounting and Public Policy Symposium

WE GO BEYOND ACCOUNTING.

THE ROSS MAcc PROGRAM IS RANKED NO. 1 BY THE 2019 PUBLIC ACCOUNTING REPORT.*

* Ross is ranked No. 1 among programs with 16-21 full-time accounting faculty.
WE LEARN BY DOING.

Don’t just learn accounting. Live it. The Ross action-based curriculum emphasizes hands-on experiences that foster a strong connection between theory and practice. This unique approach to learning offers a challenging, exciting, and effective way to arm you with the competence and confidence to begin a rewarding career.

EY ACCOUNTING AND PUBLIC POLICY SYMPOSIUM

Unique to Ross is the EY Symposium, which sends students to Washington D.C. for three days in August to explore the intersection of public policy and business. Classroom discussions, visits by top-level speakers, and trips to relevant sites around the nation’s capital will give you a greater understanding of the context in which policy decisions are made and prepare you to not only comply with current standards, but also to lead the implementation of new standards in the future. The experience continues upon your return to campus with visits from thought leaders on business policy.
WE LEARN GLOBALLY.

Go out into the world. Explore. Get a taste of doing business abroad through an elective global study opportunity over Spring Break... and a taste of the local cuisine while you’re at it. Integrate everything you’ve learned to solve a real-world business challenge. Get it wrong then get it right. Collaborate with peers to draw upon strengths and uncover the optimal solution. Reflect, learn, and grow.
Enter a business plan competition. Tackle complex social challenges. Research and promote positive business practices. Michigan Ross Centers & Institutes take your passion beyond the classroom with meaningful projects and partnerships. Make a difference through the Business+Impact initiative or the Center for Positive Organizations, or kick-start your business idea with help from the Samuel Zell & Robert H. Lurie Institute for Entrepreneurial Studies.

Your MAcc journey includes access to workshops hosted by the renowned Sanger Leadership Center, which facilitates life-changing experiences that prepare you to navigate tough situations with confidence.

**BUSINESS+IMPACT CHALLENGE** This challenge is an action-based team experience aimed at delivering innovative solutions to a highly-visible corporate or nonprofit organization.

**CRISIS CHALLENGE** Practice strategizing under pressure and thinking on your feet as you navigate a high-stakes, 24-hour business crisis simulation. Survive this pressure-cooker experience and gain valuable takeaways to share in interviews and call upon in the event of a real-life business crisis.

**LEGACY LAB** This introspective workshop series helps you to draw out your core values and purpose, enabling you to create your vision for the leadership legacy you’d like to leave behind.
Get more than just a comprehensive understanding of accounting. Ross offers a number of unique experiences that prepare you to launch a successful long-term career in fields from public accounting to management consulting to investment banking. Grads are placed across the U.S., from New York to Los Angeles and just about everywhere in between. And we don’t just prepare you for the CPA exam—we prepare you to do well.
WE LOVE IT HERE.

Ann Arbor consistently ranks as one of the best places to live in America. It’s rich in entertainment and culture, home to an amazing food scene, and offers countless opportunities for outdoor and indoor adventures.
The MAcc Program lasts just eight months, but you’ll be an alum—and Wolverine—forever. The Michigan block M is one of the most recognized symbols in higher education, and a “Go Blue!” at the end of an email to an alum pretty much guarantees a response.

WE ARE 630,000 STRONG.

As a Michigan Ross alum, you can take part in our one-of-a-kind Alumni Advantage program, including tuition-free open enrollment executive education for life.

OUR COMMITMENT TO YOU LASTS A LIFETIME

TEST REQUIREMENTS
Due to the suspension of in-person GMAT/GRE testing, the GMAT/GRE admissions requirement for the Ross School One-Year Master’s Programs are being waived for students applying to begin our programs in Summer-Fall 2021. Please note that the Admissions Committee reserves the right to request test scores if they feel it is necessary to better evaluate an application. Other admissions requirements remain the same. The GMAT/GRE requirement for future years will be shared when that information becomes available. We understand that COVID-19 has resulted in the virtual offering of many courses that are traditionally in-person. For this application cycle, we will permit courses taken in an online setting to fulfill prerequisite requirements. Please contact RossOneYear@umich.edu with any questions or concerns.

WE ARE BUSINESS MASTERS.

At Michigan Ross, you can pursue the degree that fits your career goals and interests. We offer a suite of programs—nearly all of which have landed on top-five and top-ten lists in the U.S. We welcome you to explore your options at Michigan Ross:

**MASTER OF SUPPLY CHAIN MANAGEMENT**
The supply chain is the central nervous system of any business, whether it’s a local startup or global corporation. At Michigan Ross, you’ll gain deep, functional, supply chain management expertise with the perspective of a general manager through a curriculum informed by top industry executives and world-class faculty.

**MASTER OF MANAGEMENT**
For non-business majors who have completed their undergraduate studies less than two years ago, this 10-month program offers an action-based curriculum, high-impact leadership development, and a dynamic, purposely-designed career search preparation program to power your potential and help you land your ideal job.

**MASTER OF ACCOUNTING**
The Ross MAcc gives you invaluable leadership leverage, regardless of your career path. Our graduates accept positions around the world and have long-term careers ranging in fields from public accounting to management consulting to investment banking. In 2019, 95% of graduates received a job offer within 3 months of graduation.
