INVEST IN YOUR FUTURE: FUNDING THE ROSS BBA

A high-quality education is an investment in your future. If your dreams include U-M, there are plenty of opportunities available to put your goals within reach. U-M students fund their education a variety of ways, including financial aid and scholarships.

FINANCIAL AID

To be considered for financial aid, which includes a variety of grants, scholarships, and loans, you must submit the Free Application for Federal Student Aid (FAFSA) and the CSS Profile. You can begin submitting these October 1.

Federal school code: 002325
CSS code: 1839

For additional information, contact the Office of Financial Aid at finaid.umich.edu

SCHOLARSHIPS

Michigan Ross offers a limited number of undergraduate merit and need-based scholarships. All incoming BBAs are considered for scholarships; no separate application is required. Selections are made based on criteria set by donors. Many scholarships require need, so we encourage students to complete the FAFSA.

Transfer scholarship recipients are notified over the summer. All selected students are notified via email. Ross Scholarships average around $5,000 and are very competitive. We advise all students and families to make their decision to attend Ross without considering scholarship aid.
