LET'S DO BUSINESS.

There's logic behind the phrase let's "do business." It's an active process—just like our curriculum. You'll analyze strategy, embrace new perspectives, apply business concepts, oversee projects, and build connections between business and society. After all, you don't come to Michigan Ross to be a spectator. You come to be a leader.

SCHOLARSHIPS

Michigan Ross offers a limited number of undergraduate merit and need-based scholarships. All incoming BBAs are considered for scholarships; no separate application is required. Selections are made based on criteria set by donors. Many scholarships require need, so we encourage students to complete the FAFSA.

Scholarship decisions for incoming direct admit students are made in the spring of the year the student is admitted. Transfer scholarship recipients are notified over the summer. All selected students are notified via email. Ross Scholarships average around \$5,000 and are very competitive. We advise all students and families to make their decision to attend Ross without considering scholarship aid.
