READY TO PROVE YOURSELF

One of the best parts of our Online MBA is that you don't have to uproot your life to take a life-changing journey. No matter where you are, you'll learn from top faculty and have a chance to sharpen your leadership skills by competing against a high-performing peer group.

LEADERSHIP CRISIS CHALLENGE

The bigger your role, the more challenges you'll face. After experiencing the Leadership Crisis Challenge, you'll know that you're ready to handle them all. You and your teammates act as the executive leadership team navigating a high-stakes, high-pressure, and very public simulated crisis.

PART-TIME MBA DEI CASE COMPETITION

In its inaugural competition, a team of part-time MBA students won the DEI Case Competition by making strategic recommendations to increase diversity, equity, and inclusion at a multinational beauty company. The competition was judged by executives from Google, McKinsey, EY, and Campbell's Soup.

STUDENT-RUN PODCAST

There's a podcast for everything, and this one's for you. *Working for the Weekend* is the student-run podcast about Part-Time MBA students balancing work, life, family, and everything else that comes with living and working toward a Ross MBA.
