#1 EXECUTIVE EDUCATION PROVIDER IN NORTH AMERICA
Financial Times, 2022
**ASCENDING TO THE C-SUITE**

**What Women Executives Must Know to Close the C-Suite Gap**

This unique and experiential program is designed for senior-level women executives who aspire to the C-Suite. The program combines the world's leading business thinkers from Michigan Ross School of Business with leading business practitioners for an unprecedented educational experience.

“Ascending to the C-Suite: From Theory to Practice” immerses you in specialized subjects whose mastery is critical for C-Suite executives yet often represent gaps in professional development for women leaders. Topics are taught with a 360-degree view by pairing renowned Michigan Ross faculty with global business leaders.

Participants will dive deep into key business topics and leadership practices while hearing unfiltered insight and first-hand stories from executive role models. Participants will share a similar breadth and depth of experience in a learning environment that will foster strategic connections and relationships beyond the classroom.

Topics that will be covered in depth include business strategic and financial acumen, positive leadership, persuasion and influence, crisis communication, true networks, and sustainability.

**PROGRAM BENEFITS**

- Return to your current role armed with an action plan that provides you with the strategic direction needed to successfully climb to the next leadership level in your organization
- Create a legacy statement to drive your future
- Gain a deeper understanding of business acumen, including strategy and finance
- Further develop skills in persuasion and influence, crisis communications, and negotiations
- Capitalize and more deeply understand your network and how to further expand your professional relationships
- Be inspired by leading role models who have ascended to the C-Suite through your participation in a combination of lectures, interactive sessions, and leadership exercises that seamlessly blend academic and practical learning
WHO SHOULD ATTEND:
This program is recommended for participants who have a minimum 15 years prior leadership experience and may also include:
• Organizational positions that are one to two levels below the C-Suite
• Executives with a consistent track record of career growth through promotions
• Current successor candidates to C-Suite executives
• Women entrepreneurs with sustained business growth and success

PROGRAM STRUCTURE
This dynamic program features a diverse group of faculty and executive speakers. It attracts participants from a wide variety of industries, organizations, and countries. The fast-paced learning environment fosters collaboration, dialogue, and introspection. Program topics will be presented through a combination of action-learning activities, simulations, group discussions, team exercises, lectures, case studies, and projects. This program is customized to participants’ unique, personal and current leadership challenges.

FACULTY AND EXECUTIVE SPEAKERS
At Michigan Ross, faculty have collectively authored hundreds of articles and dozens of books. They travel the world, sharing their expertise with Fortune 100 companies in virtually every sector. They’re prolific thinkers and creators of revolutionary studies and frameworks. Most importantly, they are determined and dedicated to leveraging their extensive knowledge to help you succeed.

Inforum executive speakers are global business leaders at Fortune 500 companies who offer their real world insights and experiences at each stage of the curriculum. These senior executives generously share what they’ve learned about what works — and sometimes what hasn’t. Their stories of strategy, growth, crisis management, and frontline corporate leadership bring the learning to life.

Michigan Ross Executive Education was recently named a Top 10 global provider - the #1 executive education provider in North America - by the Financial Times. The FT ranking, based on survey responses from managers around the globe, weighs factors from faculty to follow-up. Among the highlights, Ross received an overall satisfaction score of 9.6/10, earned Top 5 rankings for faculty, and earned Top 10 rankings for aims achieved, course design, and teaching methods.

Ross delivers open enrollment programs in multiple formats around the globe and custom programs wherever our partners’ request. Join us for any of our open enrollment program offerings or contact us to learn more about our custom program opportunities. We invite you to experience first-hand the Michigan Ross difference.

A WORLD-CLASS EXPERIENCE

We strive to make every aspect of your program a world-class experience. Our program directors work closely with faculty and executive speakers before, during, and after the program to ensure you achieve your objectives. Program managers facilitate a seamless transition between classroom and off-site activities and assist with anything you might need — ensuring your focus is on learning, not logistics.

For specific program questions or concerns contact Inforum’s Lorrena Black at 313.324.0236, lblack@inforummichigan.org or Michigan Ross at 734.763.1000, rossexeced@umich.edu.
