LEADING HIGH-PERFORMING TEAMS

Leverage the power of your most valuable resource

Based on more than four decades of groundbreaking research on high-performing teams, this lively three-day program will arm you to create, inspire, and lead one of your organization’s most valuable resources — teams.

During this program, you and other aspiring leaders will experience leadership and team assessments, group discussions, video case studies, simulations, and real-life examples of best team leadership practices. Together with a group of leaders from around the globe, you’ll emerge with a deep understanding of your “roles” as a team leader and when and how to employ each one. You’ll learn proven strategies and techniques for driving team decisions and how to influence internal and external stakeholders so your teams drive organizational results.

INDIVIDUAL BENEFITS

• Deeper knowledge of how your personal styles, strengths, and weaknesses affect your team’s ability to achieve important goals
• A step-by-step process for coaching individuals and teams
• Strategies for building external relationships that help the team achieve faster results
• A deeper understanding of the most common dysfunctions that derail teams and strategies for avoiding these scenarios
• A post-program private coaching session to follow up on your progress in creating a high-performing team

ORGANIZATIONAL BENEFITS

• Team leaders who can take their teams to the next level of performance, including in complex and high-stakes situations
• A valuable blueprint for creating a culture of agile, aligned, and connected teams that are able to get better results in less time using fewer resources
• Frameworks, strategies, and tools that team leaders can teach to others throughout the organization

“Great course for both personal and professional life, I strongly recommend.”

—Jim Peterson, BASF, Marketing Manager Performance Materials Construction

“
I attended the Leading High Performing Teams program in the middle of a large transformational effort I was leading, which impacted 1500+ individuals at all levels in the organization... I gained both a shift in my overall engagement strategy as well as specific tactical changes I could implement the day I returned for quick successes. I find myself leveraging what I learned from the program all the time and can recognize improvement in my team because of it.
