MICHIGAN ROSS EXECUTIVE EDUCATION

Michigan Ross is committed to building a better world through business. The future success of your business begins with your investment in human capital development today. We offer leaders like you the opportunity to impact every member of your organization. No matter whether you are trying to impact a single leader, an entire department, or adopt a new culture throughout your entire organization, we have the expertise, experience and drive to help you get there. Through the most powerful ideas in business today, our purpose-driven leadership approach, and an intense focus on impact, we enhance leaders’ ability to transform individuals, organizations and society.

POWERFUL IDEAS

Michigan Ross faculty shape the most important conversations in business and society by conducting groundbreaking research and turning theory into action. Ross Executive Education provides you with direct access to these thought leaders and powerful ideas. Ross faculty translate their research to meaningful business practices and action-based learning experiences. Contribute to these important conversations and return to your organization with powerful ideas you can use immediately to create lasting value.

PURPOSE-DRIVEN LEADERS

Purpose-driven leaders are contagiously inspirational. While all good leaders strive to achieve financial success, a purpose-driven leader is one who also demonstrates the qualities that inspire and earn respect from everyone they encounter. Our programs are infused with opportunities to help you discover your purpose and provide practical techniques to design, lead, and influence the changes needed in the culture of an organization. Become a more deeply inspiring and purpose-driven leader with Michigan Ross Executive Education.

POSITIVE IMPACT

During the past five years the impact of Executive Education on global enterprise is evident in numbers. Through open enrollment and custom programs, an increasing number of participants from leading companies, non-profits, and government organizations around the world have expanded their professional skills. Michigan Ross has served over 20,000 participants in our Executive Education programs with over 3,000 companies served and over 95 countries represented. Through our experiential learning approach, you and your colleagues leave our programs with actionable plans and evidence-based tools that ensure a significant positive impact. Elevate your performance and transform in ways that create more value for your customers, employees, shareholders, and communities. Amp up your ability to make a meaningful impact with Michigan Ross Executive Education.

**ASCENDING TO THE C-SUITE:**

**From Theory to Practice**

**IN-PERSON**

Ascending to the C-Suite is a leadership development program created for women leaders integrating the teachings of some of our foremost professors with the wisdom of executives who currently work in the C-Suite. Course content focuses on strategy, business, and financial acumen, three areas of business often identified as barriers for women to enter into the C-Suite. Executed in partnership with Inforum, participants are transformed by the application of the learnings in the classroom, and prepared to lead at the highest levels. Lifelong networks are formed at this intersection of theory and practice.

**Who Should Attend:** Participants who have a minimum 15 years prior leadership experience. Includes organizational levels one to two levels below C-Suite. Executives with a consistent track record of promotions. Current successor candidate to C-Suite executives. Open to all without regard to gender or gender identity.

Program admission is by application only.

**NEXT LEVEL LEADERSHIP:**

**Making the C-Suite Shortlist**

**LIVE VIRTUAL**

Are you a woman destined for the C-Suite? Discover how to advance to executive level roles and learn what it takes to overcome potential barriers along the way. Explore an inside view from leading female C-level executives and insight from expert Ross faculty through this new live virtual online program developed in partnership with Inforum.

**Who Should Attend:** Designed for women with a minimum of 10 years leadership experience who aspire to the C-Suite, but is open to all without regard to gender or gender identity.

Our Process

DEVELOPING A CUSTOM PARTNERSHIP
Our clients tell us time and again we are the most collaborative partner they’ve worked with. For us, partnership means asking the right questions to uncover the real root issues, and co-creating a design that addresses them. It also means a commitment beyond the classroom to maximize return on investment.

SPECIALISTS IN CREATING EXPERIENTIAL LEARNING JOURNEYS
Once we agree on the issues and opportunities to address, we will explore the learning options that meet the needs of your target audience(s). Whether you will join us on the famous University of Michigan campus or we come to you, programs are delivered in-person or online, we can adapt the delivery schedule to your needs. Our programs can be facilitated in a day, a week, or in multiple modules spanning a year or more. Our range of instructional methods and action-learning approach engage learners and deliver results. Our solutions incorporate experiential activities, simulations, company immersions, classroom learning, business projects, executive coaching, online learning, outside speakers, and more.

EXAMPLES:
• Develop senior leaders with a global enterprise perspective who break down silos
• Accelerate the development of the next generation of leaders
• Guide leaders in creating a high-velocity work environment to compete in unconventional markets
• Challenge strategic decision-makers to develop next-level business acumen
• Provide a framework for executive insights that create breakthrough strategies
• Set the stage for growth-oriented marketing strategies
• Demonstrate how future trends help to build a strategic HR function aligned to the business
• Cultivate leaders who know how to attract, retain, and engage diverse talent
• Generate innovative ideas to drive growth and profitability
• Equip leaders who can drive digital transformation and leverage new technologies

“The faculty challenged our leaders to throw out our assumptions and think differently. They immediately were very good at engaging them in deep, critical questions. It was hard work to push ourselves out of our comfort zones. But the end result was a new outlook for the future of our company. The action learning projects also were a valuable component; they helped us apply faculty expertise to key strategic areas of our work.”

—Juliana Chow, Head of Learning and Organization Development, Asia Pacific, Schaeffler AG
