# LETTER FROM THE DEAN

Dear graduates,

Congratulations to the Michigan Ross Class of 2024! Today you have reached one of the most important milestones of your life—your graduation from business school. This is something you have worked very hard to achieve, and I speak on behalf of all of our faculty and staff in saying that we are incredibly proud of each and every one of you, as well as honored to be able to share in this celebration.

Commencement is an opportunity to recognize all you have accomplished while here at Ross. As students, you have gained invaluable business skills, tackled real-world challenges, demonstrated exceptional leadership, and already made a meaningful impact that extends far beyond the classroom. Each of you has made it to this point through hard work, initiative, and dedication, and each of you has taken a unique path to get here. As you leave Michigan Ross and go forward to pursue your career, each of you will again take a distinctive path, and I have no doubt that you will accomplish great things.

Today we celebrate how far you have come as individuals and look forward to what the future will hold as you transition from students to alumni. You are joining an esteemed network of more than 56,000 Ross graduates and more than 667,000 University of Michigan alumni living in 179 countries. Michigan Ross alumni are incredibly accomplished leaders in business and society around the globe, and they share a commitment to building a better world through business. The Michigan Ross experience unites you, and I encourage you to stay connected to your classmates. As you grow throughout your career, I hope you remember your time at Ross fondly and feel the support of your fellow alumni.

Finally, I want to acknowledge that you are graduating during a very special time in our school's history—the 100-year anniversary of Michigan Ross. Always remember that you are an important part of our school's rich history and we look forward to seeing how you will go on to represent Ross in the years to come.

It has been an honor to serve as your dean. On behalf of the entire Michigan Ross community, congratulations on earning your degree, and we wish you continued success in your future professional and personal pursuits.

## Neary Teaching Excellence Awards

The Neary Teaching Excellence Awards are selected by the student body in recognition of outstanding contributions to their academic learning experience at the Ross School of Business. Mr. Neary's career spanned 38 years with Ernst & Young, and both he and Mrs. Neary remained involved with the University of Michigan after their graduations.
