

LEADERSHIP ACCELERATOR

Level up your leadership skills and career with this unique 100-day online learning journey.

Building High-Impact Practices

Investing 10 minutes daily in this self-guided online leadership journey elevates your performance. And, after 100 days, the habit of daily reflection continues your growth.

Now organizations can do leadership development in a fashion that is more effective, less expensive, and automatically gives rise to organizational improvement. This 100-day course will allow you to dive deeply into areas where transformation is most needed in your life, relationships, and your impact on others.

This online course includes five separate 4-week (20-day) chapters that collectively combine to create the complete 100-day online course experience. Individual chapters include:

- › Discovering your leadership.
- › Wielding transformative power.
- › Accelerating deep change.
- › Entering the fundamental state of leadership.
- › Leading without authority.

“*The content is spot-on for our goal of positive leadership. It provides many different layers and approaches to teach the material. By making it a daily habit, it becomes a constant reminder of the type of leaders we aspire to be. The format is perfect for rolling it out at our organization. It is low cost. Multiple sessions allow us to send another batch of leaders through the training. It is remote learning which makes it accessible by all.*”

Chester Kustarz
VP of Engineering, Duo Security

KEY BENEFITS

- › **Create lasting leadership habits:** Daily habits lead to sustainable change. Establish a daily routine of focused leadership practice, building personal growth, and continuous improvement to successfully lead in your organization.
- › **Apply evidence-based approaches:** Learn to leverage techniques backed by both real-world experiences and extensive research by Michigan Ross Faculty.
- › **Accelerate organizational leadership development:** Become equipped with proven leadership strategies that empower you to drive meaningful change within your organization through aligned goals and improved decision-making, ultimately driving sustainable transformation across the entire company.
- › **Learn from real-world leadership success stories:** Discover how leading organizations have successfully applied these practices to achieve meaningful transformation with real-world examples that offer a tangible connection between abstract leadership concepts and their practical application.
- › **Supplement current initiatives:** Integrate this flexible approach with your current professional development strategies to maximize individual and team growth.
