

EXECUTIVE EDUCATION

LEADING HIGH-PERFORMING TEAMS

Gain the tools you need to build resilient, engaged, and high-performing teams in an ever-evolving world.

Lead Teams That Deliver Results Today and Are Built for Tomorrow's Challenges

This program is designed to answer today's leaders' questions: What can I do to create a high-performing team? How can we all thrive while delivering exceptional results? What can we do to become more agile? And how do we build an inclusive growth environment that enables us to tackle the challenges of today and 'see around the corner' to anticipate the challenges of tomorrow?

Join peer leaders of teams and organizations to dive into the latest research and experience the most effective team leadership practices. Reinvigorate your understanding of your role as a team leader. Discover practical ways to optimize and adapt your leadership approach to meet the challenges of our changing times and build thriving and engaged teams.

“*Emotional intelligence and attention management. Staff is extremely educated with research and practical experience. They are able to pull all of that together into a fast paced program that is extremely impactful.*”

William Eli Hollowell
Manager Propulsion Software, Controls, Daimler Truck AG
