Hotels:

Hyatt Regency

We have reserved a block of rooms at the Hyatt Regency for the night of October 10 at a discounted rate. Rooms can be reserved for \$110 until September 26, 2018. The hotel is located close to UTD campus (less than 3 miles) and will provide a free shuttle to/from campus.

Hyatt Regency North Dallas
701 East Campbell Rd Richardson, TX 75081- US
Phone: 214-245-4920

Other hotels

There are many hotels located near campus, but they tend to be more expensive and I do not know if they will offer a shuttle. Other options include:

Courtyard by Marriott Dallas Richardson at Campbell

DoubleTree by Hilton Dallas-Richardson

Transportation: There are not any convenient public transportation options to get from DFW or Love Field to UTD. I recommend taking an Uber or hiring a taxi at the airport.

A list of taxis that operate out of DFW Airport can be found at <https://www.dfwairport.com/taxis/index.php>

Shuttles to/from campus will be available from the Hyatt Regency hotel.

Airport(s): Dallas Fort Worth, Love Field are nearby airports located about half an hour away (with no traffic) from UTD campus.

Shipping Materials:

Schools can send their recruiting materials in advance to:

Jamie Selander
The University of Texas at Dallas
Naveen Jindal School of Management
800 West Campbell Rd., SM 33
Richardson, TX 75080-3021

Dining: Light snacks will be made available for both recruiters and potential applicants during the forum/grad fair. We will provide dinner after the event in the JSOM Executive Dining Room.

Parking: If you choose to drive to the UTD, we will be providing temporary parking permits two weeks before the event (please let me know if you will need one). Parking Structure 1 (PS1) is conveniently located adjacent to the alumni center (DGA on the map). There is also pay-by-hour parking available in the garage. You can find a parking map at https://www.utdallas.edu/services/download/Parking_Map.pdf.

Recommendations for the area: DFW is a rapidly growing metroplex and traffic can be challenging during rush hour. Commute times to/from the airport can easily be doubled. Please plan accordingly to allow extra travel time.

If you have any questions about the above material or the event, please feel free to contact me at Jamie.Selander@utdallas.edu or reach out to a DocNet board member.
