Company Sponsorship of a Michigan Ross MBA

Sponsoring an employee in Michigan Ross’ Part-Time MBA Programs makes great sense for your company as well as your employee. Our program allows experienced professionals to gain a world-class MBA education while still working full time, with flexible formats specifically designed to meet the needs of the company as well as the student. More than half of our Weekend MBA Class of 2018 (54%) and incoming fall 2015 Evening MBA students (52%) receive company sponsorship.

KEY BENEFITS

• Two different formats — Weekend or Evening — allow your company and your employee to find the right balance of work and school.
• Your company substantially enhances its talent pool, with current employees receiving a Top Five MBA education.
• The students you sponsor can immediately apply the lessons from their education to the workplace, improving their own performance as well as your company’s ROI.
• Your company’s network will expand through exposure to other top-tier classmates as well as nearly 50,000 Michigan Ross alumni.

TYPES OF POTENTIAL ASSISTANCE

• Percentage sponsorship of tuition and fees, from 20%-100%.
• Specific dollar amount of sponsorship, capped per semester or year.
• Specific dollar amount of sponsorship, capped per credit hour or course.
• Company promise of sponsorship with time commitment to company after degree completion.

PROGRAM DETAILS

• 60 credits required for both the Weekend and Evening MBA.
• Our signature MAP course — involving an immersive, real-world business challenge — is required in the Weekend program and optional in the Evening.
• The Weekend Program includes on campus classes every other weekend for two years, plus distance learning. Classes are held from 4:00 - 9:10 p.m. on Friday and 9:00 a.m. - 5:10 p.m. on Saturday.
• The Evening Program allows maximum flexibility in when students take classes and how quickly they earn a degree. Evening classes are held on campus and start around 6 or 7 p.m. and run until 9 or 10 p.m. weekday evenings. Students typically enroll for two courses per semester. Most students finish in three or four years.
