This document provides an overview of the Global MBA Program at the Stephen M. Ross School of Business at the University of Michigan (the school hereafter), including administration, curriculum, admission procedures, and tuition and fees.

1. **ADMINISTRATION**
   1.1 The Global MBA is a 16-month, full-time program that begins at the end of February.
   1.2 The curriculum is the same as that of the school’s Full-Time MBA Program.
   1.3 Upon successful completion of academic requirements, participants receive a Master of Business Administration (MBA) degree.

2. **CURRICULUM**
   2.1 The Michigan Ross Global MBA curriculum requires successful completion of 57 graduate credit hours and includes a set of core courses and elective courses, 3 action-based learning residencies, and a project course called the Multidisciplinary Action Projects (MAP).
   2.2 Students study full-time throughout the entire program. The course includes a blend of delivery methods that maintain rigor throughout the curriculum.
   2.3 Students must maintain a minimum GPA of 2.0 to graduate.
   2.4 The MBA curriculum consists of both core and elective courses. The core courses establish a basic understanding of the functional responsibilities of an organization. The elective courses allow for integration of concepts learned in the core to courses in a student’s individual area of interest. The program is enhanced through Action-based Learning Residencies that address current topics in locations appropriate to deliver the content. The program concludes with the Multidisciplinary Action Project (MAP).
   2.5 All travel and living fees associated with the Action-Based Learning Residencies are the responsibility of either the student or the sponsor company.
   2.6 The core courses are scheduled from the end of February through August of the year the program begins. University of Michigan professors teach all core courses.
   2.7 In February and March, two core courses are conducted live in Seoul where students complete 3.0 credit hours of business communications.
   2.8 In March and April, three core courses are conducted online concurrently for 6.75 credits blending synchronous and asynchronous learning.
   2.9 Students must be able to dedicate 100% of their effort to these courses and should not be expected to continue working or take additional courses during this term.
   2.10 From May through August, courses are conducted using a blend of online and in-person instruction methods in Ann Arbor for 12.75 credits.

3. **ADMISSION**
   3.1 Typical students are high-potential employees identified by their employer as having the ability to progress as a future leader.
   3.2 Each nominated candidate must submit an individual admission application.
   3.3 All applicants must take the Graduate Management Admission Test (GMAT) or the Graduate Record Examination (GRE). If English is not the applicant’s native language, the Test of English as a Foreign Language (TOEFL) or the International English Language Testing System (IELTS) is required. Test results must be reported directly from the governing institutions.
   3.4 For early admission consideration, applicants must submit all admission requirements, including official score reports, by Oct. 31, 2020.
   3.5 For regular admission consideration, all admission requirements, including official score reports must be submitted by Nov. 25, 2020.
   3.6 Incomplete applications as of November 25, 2020 will be moved to the extended round.
   3.7 Applicants may take additional tests through Dec. 31 in an attempt to strengthen their application.
   3.8 For extended admission consideration, all admission requirements, including official score reports must be submitted by Jan. 2, 2021. Applications will be accepted for any remaining seats.
   3.9 Applications will be processed as they are received. The earlier an application is submitted, the earlier an admission decision will be made.
   3.10 Admission interviews will be scheduled typically within two weeks of application submission.
   3.11 The admissions committee will assess English ability during the application process. Depending upon English condition, applicants may be offered conditional admission subject to completion of intensive English instruction prior to the start of the Global MBA Program on Feb. 15, 2021.
   3.12 Students admitted conditionally based on completing additional English language instruction must fulfill the requirement individually at an accredited institution with an instructor whose native language is English. The course should include a minimum of 100 total hours of instruction.

4. **FINANCE**
   4.1 Candidates must submit a nonrefundable application fee of $200.
   4.2 The school will invoice tuition for each of the four terms. Students are registered winter 2021, spring/summer 2021, fall 2021, and winter 2022.
   4.3 Tuition is due on Jan. 8, April 30, Aug. 31, 2021, and in early Jan., 2022. The school will send an electronic invoice approximately two weeks prior to the due date.
   4.4 The university will add an international student fee to each invoice for non-US citizens. The international student fee for the 2020-2021 academic year is $55,524 per term.
   4.5 The first tuition payment for students admitted after Jan. 2, 2021 is due immediately upon acceptance of the offer of admission.
   4.6 The tuition fee does not include students’ travel, lodging, and course material expenses during the program.
   4.7 The university will add a registration fee to each invoice. The registration fee for the 2020-2021 academic year is $2419.
   4.8 The university will add an international student fee to each invoice for non-US citizens. The international student fee for the 2020-2021 academic year is $5000.
   4.9 Lodging expenses for the courses in Seoul and the Action-based Learning Residencies will be invoiced by the University of Michigan. Lodging expenses for the sessions in Seoul and Osaka will be invoiced in early 2021. Expenses for the additional Action-based Learning Residencies will be invoiced in the term they occur.
   4.10 Applicants who are admitted to the program must pay an enrollment deposit within two weeks of the date of the offer. This nonrefundable deposit will be applied to the first-term tuition payment.
   4.11 The school reserves the right to revoke admission for students whose deposit or tuition payment is not received by the due date.
   4.12 Tuition is nonrefundable. Payment past due may be subject to a late fee. The school reserves the right to prohibit students from attending classes if their payment is past due.

4.13 All international students must enroll in the university's International Student Health Insurance Plan immediately upon arrival in the U.S. To substitute a private plan, students must receive approval from the university's International Center.
