GLOBAL MBA PROGRAM POLICY // UNIVERSITY OF MICHIGAN ROSS SCHOOL OF BUSINESS – CLASS OF 2022

This document provides an overview of the Global MBA Program at the Stephen M. Ross School of Business at the University of Michigan (the school hereafter), including administration, curriculum, admission procedures, and tuition and fees.

1. ADMINISTRATION
1.1 The Global MBA is a 16-month, full-time program that begins at the end of February.

1.2 The curriculum is the same as that of the school’s Full-Time MBA Program.

1.3 Upon successful completion of academic requirements, participants receive a Master of Business Administration (MBA) degree.

1.4 Only individuals with sponsorship, including corporations, firms, institutions, and government entities, are eligible to apply to the program.

1.4.1 Licensed professionals, entrepreneurs, and heirs to family businesses who plan to return to their current employment after graduation may be eligible for sponsorship.

1.4.2 The sponsoring organization must submit the sponsorship application prior to or along with an individual’s application.

1.4.3 If an applicant’s sponsor will guarantee sponsorship only after the applicant is granted admission, the applicant must submit a letter explaining the policy. In this situation, the admissions committee will make a conditional decision. If the applicant is offered admission, the sponsoring organization must submit the sponsorship application within two weeks of the date of the admission offer.

1.4.4 The program is offered exclusively to sponsored students who plan to return to their sponsor after graduation; therefore, students in the program cannot access career services at the school or at the University of Michigan.

1.5 If a student withdraws before completing the program, the credits earned are not transferable to any other MBA programs at the school.

2. CURRICULUM
2.1 The Michigan Ross Global MBA curriculum requires successful completion of 57 graduate credit hours and includes a set of core courses and electives courses, 3 action-based learning residencies, and a project course called the Multidisciplinary Action Projects (MAP).

2.1.1 University of Michigan professors teach all core courses.

2.1.2 In February and March, two core courses are conducted live in Seoul where students complete 3.0 credit hours of business communications.

2.1.3 In March and April, three core courses are conducted online concurrently for 6.75 credits, blending synchronous and asynchronous learning.

2.1.4.1 Students must be able to dedicate 100% of their effort to these courses and should not be expected to continue working or take additional courses during this term.

2.1.5 From May through August, core courses are conducted using a blend of online and in-person instruction making up 12.75 credits.

2.2 Elective courses are scheduled from September through December in the first year of the program on the Ann Arbor campus.

2.2.1 Students can take a maximum of 18 credit hours each session without additional tuition payment.

2.2.2 Students may take up to 10 credit hours of graduate study in other University of Michigan schools and colleges depending on availability and course prerequisites.

2.2.3 Individual and group research projects, supervised by faculty, are available to students in good academic standing. Students may earn up to one to three credit hours per project, elect only one research project per term, and apply a maximum of six research project credit hours toward degree requirements.

2.3 From January through April in the second year of the program, students may apply to the Ross MBA Global Semester Exchange Program for an opportunity to study for one term at one of our worldwide partner schools. 2.3.1 Tuition is paid to the University of Michigan for either option.

2.3.2 Section 2.4 above applies to those opting to complete elective courses in Ann Arbor.

2.3.4 All travel and living fees associated with Global Semester Exchange Program are the responsibility of either the student or the sponsor company.

2.3.5 The Global Semester Exchange Program must conclude before MAP begins.

2.4 The Multidisciplinary Action Projects (MAP) starts in May in the second year of the program.

2.4.1 MAP is a mandatory, 7.5-hour credit course within the Michigan Ross MBA curriculum and projects may be developed in the US or abroad.
