This document provides an overview of the Global MBA Program at the Stephen M. Ross School of Business at the University of Michigan (the school hereafter), including administration, curriculum, admission procedures, and tuition and fees.

1. ADMINISTRATION

1.1 The Global MBA is a 16-month, full-time program that begins at the end of February each year.

1.2 The curriculum is the same as that of the school’s Full-Time MBA Program.

1.3 The MBA curriculum consists of both core and elective courses. The core courses establish a basic understanding of the functional responsibilities of an organization. The elective courses allow for integration of concepts learned in the core to courses in a student’s individual area of interest. The program concludes with the Multidisciplinary Action Project (MAP).

1.4 Only individuals with sponsorship, including corporations, firms, institutions, and government entities, are eligible to apply to the program.

1.5 If a student withdraws before completing the program, the credits earned are not transferable to any other MBA programs at the school.

2. CURRICULUM

2.1 The Michigan Ross MBA curriculum requires successful completion of 57 graduate credit hours and includes a series of core courses and elective courses, as well as a field project called the Multidisciplinary Action Projects (MAP) course.

2.2 The MBA curriculum consists of both core and elective courses. The core courses establish a basic understanding of the functional responsibilities of an organization. The elective courses allow for integration of concepts learned in the core to courses in a student’s individual area of interest. The program concludes with the Multidisciplinary Action Project (MAP).

2.3 The core courses are scheduled from the end of February through August of the year the program begins.

2.3.1 From February through May, core courses are conducted in China, Japan, and Korea.

2.3.2.1 The remaining 8.25 credit hours of the core curriculum are completed.

2.3.2 From June through August, core courses are conducted in Ann Arbor.

2.4.3 Students can take up to 10 credit hours of graduate study in other University of Michigan locations if requested by a sponsor company.

2.4.4 Individual and group research projects, supervised by faculty, are available to students in good academic standing. Students may earn one to three credit hours per project, elect only one research project per term, and apply a maximum of six research project credit hours toward degree requirements.

2.4.5 Students may attend various special lectures and programs without additional charge.

2.4.6 Students may apply to the Michigan Ross International Exchange Program for an experience in the US where communication is exclusively in English within the past five years.

2.4.7 Students may take part in an intensive English instruction program prior to the start of the Global MBA Program on Feb. 26, 2018.

2.4.8 The tuition of the Global MBA Program is the same as the school’s 2-year Full-Time MBA Program.

2.4.9 The school reserves the right to change without notice any statement in this policy concerning, but not limited to, curriculum, courses, faculty, tuition, fees, policies, and rules. If course or curriculum changes take place after the program begins, we will make every effort to implement the changes in the best interest of the student.
