UNIQUE NETWORKING OPPORTUNITIES

- In Asia
 - Build a strong network with managers from leading Asian companies.
 - Students live in carefully selected training centers during the sessions in Asia.
 - Professors stay at the same facility and invite small groups of students for lunch and dinner throughout the core.
- In Ann Arbor
 - Merge into a truly diverse international community with over 3,300 students and faculty.
- After graduation
 - Become a member of one of the world's largest and most active alumni groups.

"During the Asia session, we stayed in the same hotel for nearly four months to study together. The session was a perfect time to network with peers. We went on treks often on the weekends. We talked about our dreams, passions, personal matters, and even silly things. All of this helped us to establish a strong foundation as a big 'family,' which I am confident will last for life."
