Universidad de Navarra - Spain  
Worksheet for Calculating 2017 Study Abroad Expenses

University of Michigan undergraduates have the opportunity to study abroad at one of our distinguished partner business schools in cities as diverse as Prague to Singapore. Our exchange partnerships allow students to learn about business from a different perspective, experience another culture, and network with students, faculty, and professionals from around the world. UNav offers a five month program that is held during the winter term of the 2016/2017 academic year.
