University of Michigan undergraduates have the opportunity to study abroad at one of our distinguished partner business schools in cities as diverse as Prague to Singapore. Our exchange partnerships allow students to learn about business from a different perspective, experience another culture, and network with students, faculty, and professionals from around the world. SGH offers a four month program that is held during the winter term of the 2016/2017 academic year.

Based on current exchange rate:  
$1 = 3.87201 PLN
