The EQUIS-accredited Thammasat Business School (TBS) was established in 1938 and considered one of the best business schools in Thailand. It has offered 5 international programs, ranging from bachelor to PhD studies, where all courses are taught in English. To date, TBS students have won a number of internationally recognized awards, including CFA Global Championship, Ventures Lab Investment Competition (formerly known as Global Moot Corp – the Super Bowl of Business Plan Competition), Citigroup International Case Competition, and many more.

> Bachelor’s Degree in Business Administration (BBA)
www.bba.tbs.tu.ac.th

The Bachelor’s Degree in Business Administration (BBA) international program is a four-year undergraduate course in business administration with a choice of three majors: accounting, finance and marketing. It offers internship opportunities with leading international organizations in Bangkok. It also provides exclusive exchange opportunities with the University of California (UC) Systemwide and Partnership in International Management (PIM) Schools (www.pimnetwork.org), and other leading business schools worldwide. Its students have had outstanding achievement track records, e.g., Chartered Financial Analyst (CFA) Global Champions, Winners of International Case Competitions organized by McGill University (North America), Copenhagen Business School (Europe), Citi (Asia), respectively.

> International Master in Business Administration (IMBA)
http://imba.bus.tu.ac.th

The International Master in Business Administration (IMBA) is the international, innovative and impact MBA program. It focuses specifically on giving the tools to students to be CHANGE MAKERS, in their existing company, family business, new venture, community or their country.

> Master in Finance (MIF)
www.mif.bus.tu.ac.th

Since its inception in 1999, the Master in Finance Program (MIF) is designed to produce financial specialists with breadth and depth knowledge. The distinctive competencies of MIF Program include its innovative curriculum, outstanding faculty both local and international, extensive student leadership development and overseas learning opportunities.

> Master’s Degree Program in Marketing (MIM)
www.mim.bus.tu.ac.th

The Master’s Degree in Marketing Program (MIM) has enjoyed outstanding success since its foundation in 1983. It is designed to prepare a new breed of global executives for the markets of the future. MIM students have earned the first prizes in five major international competitions, namely the ‘Global Moot Corp® Business Plan Championships’, the ‘New Venture Championship’, including the Global Social Venture Competition, and have won high honors in over 26 final events.

> Doctoral Program in Business (PhD)
www.dpb.bus.tu.ac.th

The Doctoral Program in Business (PhD) is founded on the desire to support the development of scholars who aim to make an original and worthwhile contribution to business knowledge. It is a fulltime PhD program following the British doctoral study model where students are extensively trained to develop their full research potential and competency necessary to succeed in academia and consultancy-related careers.
Semester period: Fall Semester (Aug - Dec), Spring Semester (Jan - May)

Application deadlines: Fall Semester (May 1), Spring Semester (October 1)

Undergraduate course load: Maximum 6 courses, 3 of which are business courses. Students may wish to take Thai studies, such as language and culture. Each course is 3 credit hours or 3 class/contact hours per week for 16 weeks.

Graduate course load: Maximum 3 courses or no more than 9 credit hours, unless otherwise considered on a case-by-case basis for an extra course to be enrolled. Some courses may be 1.5, 2 or 3 credit hours for 16 weeks or arranged in a module format.

It is highly recommended that incoming exchange students enroll in courses respectively offered by MIF, MIM or IMBA programs. Cross-registration among these programs is discouraged due to potential class schedule conflict.

Undergraduate grading: A, B+, B, C+, C, D+, D, F

Graduate grading: A, A-, B+, B, B-, C+, C, D+, D, F
